

ST IVES NEIGHBOURHOOD PLAN

HAVE YOUR SAY!

WHAT IS NEIGHBOURHOOD PLANNING?

It is a plan for our neighbourhood area with policies that inform planning decisions regarding development proposals. The Town Council had requested that a draft plan be prepared and, when complete and adopted following a local referendum, it becomes a legal document that can be used to help determine local planning applications.

WHERE CAN I FIND OUT MORE INFORMATION?

The draft plan and more detailed material can be found on the Council web site under the heading, “NP Overview”. Paper copies maybe viewed at St Ives Library and the Town Hall during normal operating hours.
